**Map 29- Castlereagh River Above Binnaway**

**Name of Water Source:**

Castlereagh Above Binnaway Water Source

**Relevant Water Sharing Plan:** The Water Sharing Plan for the Castlereagh Above Binnaway Water Source gazetted on 21 February 2003 and as amended by order gazetted on 1 July 2004.

**Description of Water Source Area:**

The Castlereagh Above Binnaway Water Source is the area of land within the Central West Water Management Area as shown in Map 29, upstream of Binnaway at the Mollyann Road bridge across the Castlereagh River adjacent to Lot44 DP753384, Parish of Greenbah, County of Gowen.

The water source is divided into the following management zones:

- (a) the main trunk of the Castlereagh River – Timor Dam wall (E704850 N6537575) to Pound Yard Weir (E716075 N6538125) management zone (**Zone 1**);
- (b) the main trunk of the Castlereagh River – Pound Yard Weir (E716075 N6538125) to Merryula Road Crossing (E721725 N6528200) management zone (**Zone 2**);
- (c) the main trunk of the Castlereagh River – Merryula Road Crossing (E721725 N6528200) to Belar Creek confluence (E719600 N6521650) management zone (**Zone 3**);
- (d) the main trunk of the Castlereagh River – Belar Creek confluence (E719600 N6521650) to New Mollyann Road (E725500 N6506650) management zone (**Zone 4**);
- (e) the main trunk of Belar Creek (**Zone 5**) – Belar Creek at “Avondale” (E703550 N6528400) to junction Castlereagh and Belar Creek (E719600 N6521650); and
- (f) all other independent tributaries in the water source area (**Zone 6**). Zone 6 is deemed to include all rivers in the water source apart from the main trunk of the Castlereagh River and Belar Creek respectively.

Daily extraction limits are defined for each management zone and specific conditions apply to access licence dealings within these management zones.

**Definition of Waters Included:**

The waters of the Castlereagh Above Binnaway Water Source include all water occurring on the land surface shown on Map 29, including but not limited to:

Baby Creek	Jews Gully
Back Belar Creek	Kamilaroi Waterholes
