**Map 4- Dorrigo Plateau Surface Water Source**

**Name of Water Source:**

Dorrigo Plateau Surface Water Source

**Relevant Water Sharing Plan:** Water Sharing Plan for the Dorrigo Plateau Surface Water Source and the Dorrigo Basalt Groundwater Source gazetted on 21 February 2003 and as amended by order on 1 July 2004.

**Description of Water Source Area:**

The Dorrigo Plateau Surface Water Source is that area of land within the Upper North Coast Water Management Area and the Mid North Coast Water Management Area as shown in Map 4, upstream of the confluence with Wild Cattle Creek [Australian Grid Map Reference coordinates E 470398, N 6659852].

The water source is divided into four management zones:

- (a) **Zone 1: Upper Nymboida River management zone**  
Includes the Nymboida River and its natural catchment upstream of its confluence with Wild Cattle Creek (AMG coordinates E 470398 and N 6659852).
- (b) **Zone 2: Bielsdown River management zone**  
Includes the Bielsdown River and its natural catchment upstream of its confluence with Nymboida River (AMG coordinates E 470807 and N 6656254).
- (c) **Zone 3: Wild Cattle Creek management zone**  
Includes the Wild Cattle Creek and its natural catchment upstream of its confluence with Nymboida River (AMG coordinates E 471712 and N 6658409).
- (d) **Zone 4: Blicks River management zone**  
Includes the Blicks River and its natural catchment upstream of its confluence with Nymboida River (AMG coordinates E 469988 and N 6660089).

Specific conditions apply to access licence dealings and access to water within these management zones.

**Definition of Waters Included:**

The waters of the Dorrigo Plateau Surface Water Source include all water occurring on the land surface shown on Map 4, including but not limited to:

- (a) all rivers in Upper Nymboida River management zone (Zone 1) including, without limitation, Upper Nymboida River, Boundary Creek, Borra Creek, Little Murray Creek, Sandy's Creek, Glen Fernaigh River and Dead Dog Creek
  - (b) all rivers in Bielsdown River management zone (Zone 2) including, without limitation, Bielsdown River, Rocky Creek, Little Plains Creek, Little Falls Creek, Euroka Creek, Matthews Creek, Whisky Creek and Dillions Creek.
  - (c) all rivers in Wild Cattle Creek management zone (Zone 3) including, without limitation, Wild Cattle Creek, Karore Creek, Kirtons Creek and Currens Creek.
-

- (d) all rivers in Blicks River management zone (Zone 4) including, without limitation, Blicks River, Hyland Creek, Blicks Creek, Majors Creek and Pinch Creek.

This definition also includes all lakes and wetlands in this water source.

The waters of this water source exclude all water contained within aquifers underlying this water source.
